

Mouse Anti-human complement C3, clone #: A04-2G2 Monoclonal Antibody

Catalog Number:	PT-mAb-A04-2G2
Quantity:	100ug
Concentration:	
Specificity:	Human
Immunogen:	Human Complement C3
Isotype:	IgG
Supplies As:	Protein A purified; lyophilized
Storage:	-20 °C

Applications and Suggested Dilutions*:

Western Blot: 2 µg/ml;
Immunohistochemistry: 2 µg/ml

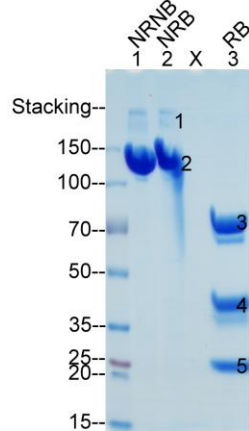

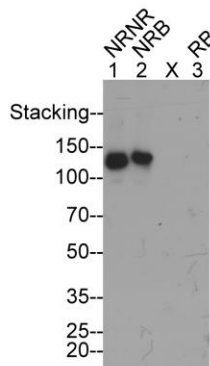

*Specific dilutions and blocking conditions should be determined by the investigator.
